In December 2021, the eRulemaking program transitioned to Login.gov for FDMS' sign-in process with authentication.

Following the Multi-factor Authentication (MFA) release on December 28, 2021, Login.gov will be the only method users can use to login to FDMS. Current users who have linked FDMS and Login.gov accounts will have no interruption in accessing FDMS following the MFA release. All new FDMS users will need to create a Login.gov account prior to conducting the Self-Registration process to request access to FDMS.

In addition to the resources we previously provided to help with the transition, we've also compiled a list of FAQs and linked a step by step video to help with registration.

Important: Users will have until **February 1, 2022**, to link their FDMS and Login.gov accounts. After that date, users who haven't linked their existing FDMS account will be required to register for a new FDMS user account and conduct the Self-Registration process.

You are receiving this message as you have been identified as an FDMS user who has not yet linked your primary account to Login.gov via the FDMS Login page. If you have any questions about this message, please email the FDMS Help Desk: Fdmshelpdesk@gsa.gov.

In December 2021, the eRulemaking program transitioned to Login.gov for FDMS' sign-in process with authentication.

Following the Multi-factor Authentication (MFA) release on December 28, 2021, Login.gov will be the only method users can use to login to FDMS. Current users who have linked FDMS and Login.gov accounts will have no interruption in accessing FDMS following the MFA release. All new FDMS users will need to create a Login.gov account prior to conducting the Self-Registration process to request access to FDMS.

In addition to the resources we previously provided to help with the transition, we've also compiled a list of FAQs and linked a step by step video to help with registration.

Important: Users will have until **February 1, 2022**, to link their FDMS and Login.gov accounts. After that date, users who haven't linked their existing FDMS account will be required to register for a new FDMS user account and conduct the Self-Registration process.
